Brewster Walking Trails

1 Quivett Marsh Vista

Quivett Marsh Vista was formerly the site of the Skyline Motel (1953-1992). Having been shuttered for many years, the former owner tore down the motel to provide a view over Quivett Marsh and BCT arranged the sale to the Town. An additional two acres were later purchased by BCT to extend the trail. There is a handicap access platform adjacent to the parking lot and a short trail loop winds to the marsh. A picnic table at an overlook point provides a view of an active osprey nest and across to the Crowes Pasture Conservation Area in East Dennis.

Round trip trail length: 0.3 miles.

Directions: Traveling west on Route 6A, Quivett Marsh Vista entrance and parking is on the right, approximately 0.9 miles after Drummer Boy Park.

2 John & Kristi Hay Trail

The John and Kristi Hay trail is named after the famous naturalist and his wife who played a leading role in conservation in Brewster and in establishing the Cape Cod Museum of Natural History. Passing some of the largest glacial erratics in Brewster, the trail winds through typical Cape Cod pine-oak forest and provides a view to a dry kettle hole from a rustic bench. A segment of the trail follows an ancient road which was once the connection between the Stony Brook Valley 18th century factory village and Wings Island, where early settlers cut marsh hay and salt works flourished. The trail extends onto Museum property where a viewing bench looks onto an enormous beech tree and a view of the Stony Brook Valley.

Round trip trail length: 0.6 miles.

Directions: Parking is available at Drummer Boy Park. The trailhead, with limited parking, is located approximately 200 yards in from Route 6A on Edwards Drive, across from Drummer Boy Park.
