*Myron Tubman (d. 1930) sits on the mower while brother Raymon looks on, beside the historic barn.*

*Myron and Raymon were sons of Thomas Barton Tubman who bought this farm in 1914 and 60 acres around it. (The Tubmans previously lived farther north on Poverty Lane, now called Tubman Road).*

*Thomas B. Tubman fathered ten children, five of whom died within a six-week period of diphtheria.*
